About Carnelian Knoll

Julie Siegmund designs and handcrafts distinctive Carnelian Knoll necklaces, bracelets and earrings of rare and vintage beads, semi-precious stones and silver. Since 1998, Julie has made all designs in New York City.

This catalog focuses on earrings available for both retail and wholesale. All earrings are made using the highest quality sterling silver or 14 karat gold-filled European lever backs. Surgical steel, 14 karat gold and/or post findings are available upon request.

How to order

Wholesales customers may place orders from this catalog by calling 212-662-4634 or by sending an e-mail to JulieSiegmund@carnelianknoll.com.

Carnelian Knoll designs (including many more items that are not shown in this earring-only catalog) are available to retail customers at craft shows and home shows; at select boutiques; from the online Carnelian Knoll Gallery at www.CarnelianKnoll.com; and by private appointment with Julie Siegmund.
